

THE CAUSE OF THE EFFECT

- 1. There is a Creator.**
- 2. God, the Creator, gives certain unalienable rights to individuals.**
 - not the government**
 - all men are created equal**
 - all have the right to life, liberty, and pursuit of happiness**
- 3. Government exists to protect these rights.**
- 4. There is a higher moral law; the Laws of Nature and the Laws of Natures God.**
- 5. Below the moral law, government does things by the consent of the governed.**
