# THE GRACE OF LIFE

Rebellion is never tolerated by God

No one ever got their inheritance and destiny in rebellion

The fruit of rebellion is always tragedy

Rebellion is never done in ignorance but always to light

Rebellion is always to authority from one under authority

Rebellion is as the sin of witchcraft:

Since it doesn't submit to the authority of the Word to release grace to help, strengthen, or empower something it wants to happen it has to resort to illegitimate use of authority :

domination                      make you to get their way

intimidation                    scare you to get their way

manipulation                    trick you to get their way
