

# FAMILY RESTORATION TRUTHS

1. There are no perfect people so there are no perfect families – ALL have sinned and fallen short of the glory of God.
2. We ALL are who you are in the natural through family shaping in a fallen world Eph. 2:1-3
3. We will either “imitate” or “react against” (or both), that which you have seen lived out in your family.
4. If we hide or deny the wounds and sins of our family, we will be in deception and hindered from being transformed.
5. It is our choice to allow our family to be either the devil’s playground or God’s workshop.
6. There must be a strong relationship between the family and Church for God’s original intent for the family to be restored.
7. Faith in God brings grace sufficient to fix any family.
