  2. You didn't choose the gifts, God did.
  3. The gifts are Heaven sent & Heavens deposit of grace in you.
  4. Those gifts aren't for you but for others.
  5. Discover what you have (designed and built in you by God) and steward it to help others.
  6. No gift that serves others is small or insignificant.
  7. There will be equal rewards given for equal faithfulness in the stewardship of our gifts.
