WHY HAS AMERICA BEEN BLESSED?

1. Our Nation's Founding influenced by Judeo-Christian values & our liberties based on unalienable rights and natural law (The Laws of Nature and of Nature's God).

“We hold these truths’ to be self evident. That all men are created equal, that they are endowed by their **Creator** with certain inalienable rights that among these are life, liberty, and the pursuit of happiness”

2. Our spreading of the Gospel in all the world both at home and abroad by world evangelism and missions.

3. Our standing with, support of, and defense of Israel.
