

# REVELATION KNOWLEDGE AND PURPOSE

1. Revelation is God's Spirit bringing light to our understanding or enlightening us **Eph. 1:16-18**

- The hope of His Calling is a calling to His purpose for our life.

2. His Spirit reveals things we couldn't know from natural knowledge **1 Cor. 2:9, 10**

3. When we have revelation we can discover our purpose **Gal. 1:15, 16.**

- Purpose is the original intent of God for our life; the "why" behind our existence

- God has a purpose for everything and time is given for purpose **Eccl. 3:1**; purpose gives meaning to time.

- Revelation uncovered or unveiled Paul's' purpose **Acts 9; 22; 26**
