

OBEDIENCE OF FAITH

2 Tim. 3:16, 17; Rom. 16:26

Faith is obedience to an instruction.

1. Very often the difference between Christians is obedience to an instruction.
2. Behind every instruction is God's heart for us for the life He's provided us to enjoy and has our best interest in mind.
3. His instructions are always given to create events in our future.
