

HEALING DISTINCTIONS

1. Some healings are sovereignly initiated by God.
2. Some healings are initiated by an individual's own exercise of faith.
12 of the 19 cases of healing mention faith
All healings are connected to 2 factors: faith/power
3. Not all healings are immediate or instant; some are gradual or happen over time.
4. Not all healings are spectacular displays of power but they can still be supernatural.
