

Main Areas of Loyalty

Two areas where loyalty comes into play in our lives as Christians is:

1. Truth

2. Relationships

Loyalty in Relationships

A loyal person:

1. Is “true blue” all the time and everywhere except when loyalty to God takes precedence.
2. Proudly identifies with you publicly (shows visible/vocal support).
3. Gladly adjusts their schedule to accommodate you in a time of need.
4. Feels protective of you and will defend you in your absence.
5. Will warn you of impending danger and traps set by adversarial people.
6. Never enters into a covenant of friendship with anyone plotting to hurt you.
7. Will never use private information to hurt you.
8. Will forfeit the rewards of other relationships to stay by your side.
