

GRACE TEACHES DO'S AND DON'TS

I. Wrong views of being under grace

- A. Some view grace to mean: no obligations, no rules, no requirements, and no restraints (No do's or don'ts).
- B. Needs qualified: no personally generated list of do's & don'ts
 - 1. Making laws where God made none or gives liberty of conscience
 - 2. Adding to the Word and imposing it on other's conscience

II. True grace teaches GOD'S do's and don'ts

A. **Titus 2:11-14**

- 1. A DENIAL of improper things (ungodliness/worldly lusts) Don'ts
 - 2. A DESIRE/DIRECTION into proper things (live soberly; righteously; and godly) Do's
- B. Looking for the Blessed Hope & Glorious Appearing of our Lord
- Expecting His Return for us; but also our future accountability
