

UNLIMITED POTENTIAL OF DIVINE HEALING

I. Limits of medical science

- A. Mark 5:25, 26 – 12 years doctor after doctor and no relief
- B. Luke 13:11; 18 years; John 5:3, 5; 38 years/chronic conditions
- C. John 9:1-7; Acts 3:2; 14:8 birth/labeled incurable
- D. Matt. 24:7 Incurable diseases in the Last Days
- E. 2 Chronicles 16:12, 13

II. Limitlessness of Divine healing

- A. Divine healing includes all manner and every kind of sickness
Matt. 4:23,24; 9:35
- B. Practical insights
 - No one should ever decide for someone else to take or not to take medicine.
 - Since all divine healing is not immediate, some may tolerate pain while others may need relief; therefore, these are personal decisions.
 - It is not doing without medicine or not going to a doctor that makes faith become faith.
 - Learn to believe God's Word on the small things first (less severe/not life threatening).
