

THE LENS OF TRUTH

1. You cannot understand physical laws, the human condition, and the condition of the universe without the Bible Genesis 1 & 3.

2. The Earth is covered in God's plan of redemption Romans 8:19-22
 - There are 5 Earth's (or conditions of Earth) spoken of

3. So why tell me about this?
 - a. Because people wonder why bad things happen to good people but the reality is bad things happen to ALL people living in a Fallen world.
 - b. Because we should let the lens of Scripture influence our political views and not our political views influence our view of Scripture
