

THE HOLY SPIRIT KNOWS THE HELP WE NEED

1. The Holy Spirit is our Helper.

helpeth - to take hold of against/together with; at the side of for assistance

2. He helps us with our infirmities.

infirmities - weakness; incapacity; limitation; inability to get results

3. He intercedes with:

a. groanings which cannot be uttered; wordless, without sound/speaking

b. communication that is according to the will of God.

4. The Father, who searches the heart knows the mind of the Spirit, & makes all things work together for our good.

5. As often as we pray in tongues:

a. the perfect petition/request for the answer we need is made.

b. the will of God is being prayed (1 Jn. 5:14, 15)
