

TALK FROM YOUR POSITION NOT CONDITION

1. There is no better way to describe our spiritual position than **“in Christ”** 2 Cor. 5:17.
 - **In Christ** truths are spiritual facts
 - Conditions in our life may not line up to these facts
2. We have to speak what we believe not feel/see 2 Cor. 4:13
 - The way we speak or use our faith with **in Christ** truths is that we learn to talk from our position not condition
3. Talking only of our conditions has no power to change them; instead give full recognition to every good thing in you **in Christ** Philemon 6
