

THE FREEDOM JESUS GIVES US

1. Our freedom is from sin not to sin Gal. 5:13, 19-21.
 - freedom or liberty is not a sin propellant or stimulator.
 - freedom should never make us more bound to sin, satan, or selfishness
 - our freedom is to serve not sin
2. Our freedom is from the Law of Moses but not to be lawless Gal. 5:1; 1 Jn. 3:4; be lascivious Jude 3 (absence of restraints)
 - we are free to live as we ought to not just want to.
3. Freedom never harms your relationship to God, others, or yourself 1 Cor. 8:9.
 - true freedom is activity that does not harm, destroy, or diminish life; nor does it do ill toward others
4. Freedom is not a cover to hide bad behavior 1 Peter 2:15, 16
