

# TRUTH IS OUR PROTECTION

1. Jesus said knowing the truth is the key to our freedom and it comes by continuing in His Word John 8:31, 32; John 17:17; John 3:21.

2. The enemy to freedom, the devil, who uses lies to blind, deceive, and keep us from perceiving the truth John 8:44.

- satan's only power is to deceive us & deception is simply believing a lie instead of the truth 2 Tim. 4:1-4; 2 Thess. 2:10; Dn. 8:12.
- What we believe influences everything we think, say, & do.
- He has to use lies because he has no legitimate authority, right, or rule.

3. Truth is first and foremost in our warfare against the devil/demons and it is our protection Ephesians 6:10-18.
