

GOD DOESN'T ATTACK HIS OWN

1. God does not attack His own children or Kingdom citizens that Jesus gave His life in defense of [Isaiah 54:8-10, 17](#)
2. Don't think it strange, be alarmed, or surprised: tests, trials, exposure to adversity and temptations to sin are a part of life on Earth.
 - The fiery trial [1 Peter 4:12; 1 Cor. 10:13](#)
3. It is our adversary who will test our faith with adversity and tempt us with evil to sin.
 - The trial of your faith [1 Pet. 1:6, 7; 5:8; James 1:3, 13](#)
 - Where the fire comes from [James 3:6; Eph. 6:16](#)
4. Why would God give us faith, armor, weapons & then send fire to test them? The tests come from satan/people/institutions set against Christ
 - Jesus has been here and is able to help us [Heb. 2:18](#)
