

# PRAYER WILL WORK FOR YOU

1. The first thing Jesus taught us is that He prayed.
2. He had a special place.
3. When you pray address it to the Father.
4. God's will being done depends on prayer.
5. We can pray for provisions, forgiveness, guidance, and protection.
6. If a friend will respond simply because he was unashamed to ask, how much more shall God our Father respond to us:
  - We are His children
  - We have a covenant relationship
7. Prayer is asking, seeking and knocking but Asking the Father is the most basic element of prayer.
  - The biggest barrier we have to overcome is our reluctance to ask.
  - Even though the Father knows what we need we still have to ask.
  - We'll get what we ask for.
