

TAKING OUR PLACE OF DOMINION IN PRAYER

1. **Gen. 1:26** - The Earth was originally man's God given realm of dominion (place of rule & under his jurisdiction).
2. Man was also created with a free will with the freedom of choice & liberty to act.
 - a. This gives rise to things God may permit to happen in Earth.
 - b. Permitted in the sense He allowed their free choice not that He willed it.
 - c. We have a place of authority/responsibility God will not assume or violate
 - d. This is why God's will being done on Earth requires our prayer **Mt. 6:10**
3. God is Sovereign (above all in power, authority, & rank but His sovereignty will never violate).
 - a. Man's free will & choice **Gen. 3; Gal. 6:7**
 - b. His Word **Ps.138:2**
 - c. His character **Numb. 23:19**
 - d. His covenant promises & oath **Ps. 89:34**
