

CHRISTMAS IS THE BIRTH OF OUR SAVIOR & LORD

1. Luke 2:10, 11 - Jesus is called both Savior and Lord.

Jesus as Savior 24 times; Jesus as Lord over 700 times

2. Rom. 10:9, 10 – Our salvation is a confession of Lordship. Where Jesus's Lordship begins, Satan's lordship ends.

3. There's two aspects of receiving that now exists:

- Our receiving from our Lord; Our Lord's receiving from us

4. Matt. 7:21-23 Jesus said His Lordship in a person's life isn't seen only by what we say but by what we obey.

5. Submitting our will and obeying Jesus as Lord is something we freely choose to do not anything He forces us to do.

6. Mk. 1:40-45 Obedience to His Lordship is not about the size of the command but the Master behind it.

7. Matt. 8:5-13 Don't be sad about it, it positions us to the greatest faith
