

THE POWER AND POTENTIAL IN HEARING

I. What we hear can change an unblest past Mark 5:25-34

- Time has a way of talking to us Mk. 5:25 – 12 yrs; Lk.13:11 – 18 yrs;
Jn. 5:5 – 38 yrs; Acts 14:7-11 all his life
- Nothing started working for her until she heard

II. What we hear can determine blessings we receive

Acts 19:1-6; Gal. 3:5

III. What we hear increases our potential to overcome

Rev. 2:7, 11, 17, 29; 3:6, 13, 22

- Those words were never spoken by mortal, spiritually dead men; it was only the lips of Jesus Who said it

IV. What we hear can get us what we're missing in our life

Mark 10:46-52

THE GREAT POTENTIAL IN HEARING

God can change an unblessed past and our present circumstances do not have to be permanent

All hearing is not the same; how we measure, value, respect, honor something affects hearing

Jesus put us on notice of what satan is after in Mark 4:15, 16, 18, 20 & said “Take heed **what** you hear,” Mark 4:24 and “Take heed **how** you hear,” Luke 8:18
