

WE'VE NOT BEEN LEFT TO OURSELVES

1. We are a spirit being, with a soul, who lives in a body 1 Thess. 5:23
 - The dominion of our spirit over our entire being was lost in the Fall
 - The Holy Spirit helps our spirit to return to its place of dominion
 - John 14:16-18; Gal. 5:16
2. 2 Cor. 3:17, 18 Transformed into Christlikeness even as by the Spirit
 - We do not have to stay the way we are or get stuck
 - We should never give up hope or give up on ourselves
3. The Holy Spirit is in us to help us change:
 - By working in us Phil. 1:6; 2:13; Heb. 13:20, 21 (Divine energy)
 - By strengthening our inner man so that our inner man is in charge and rules Eph. 3:16-19
 - Strengthens our inner man so that what is in our spirit wins out over our flesh.
 - He also knows the help we need and helps us to get it Rom. 8:26-28
