

IT IS NOT A MISTAKE

1. Our blessing in the NT is tied to the blessing of Abraham in the OT.
2. The New Covenant is the fulfillment and outworking of the Abrahamic covenant (the things God promised Abraham).
3. Christ redeemed us from the curse of the Law not the blessings.
4. The blessings of the Law are an extension of the Abrahamic covenant that give specific detail to the blessing of Abraham
 - a. There is a unity between the Covenants in the Person and work of Jesus Christ
 - b. Jesus kept the Law perfectly entitling Him to the blessings
 - c. NT writers include the blessings of the Law as the blessing of Abraham
 - d. Jesus blotted out the ordinances against & opposed to us not the ones for us that are favorable to us.
